Hi Javier –

Per your request, please see the updated factsheets attached. We trimmed the NOI factsheet down to one page, and the general LCR factsheet to 1.5 pages. Please let me know if you have any questions.

Thank you!

Hi, we need to make these shorter. I don't think the RA will have time to go over all the details we are offering here. I will keep a copy and read it for my information, both documents are excellent.

Thank you,

Javier

Subject: Final Factsheets - NOI on LCR in Newark and General LCR

Hi Javier, Hi Jeff –

Attached are the final versions of factsheets on the NRDC/NEW NOI to sue NJDEP on LCR implementation in Newark, and on the LCR in general. These were reviewed by DECA and ORC, and I incorporated their comments.

Please send these factsheets to the RA for his information, CCing Nicole Kraft, Doug McKenna, Phyllis Feinmark, Paul Simon and Pat Evangelista (and anyone else you think would be appropriate that I forgot).

Let me know if you have any questions or need any additional information.

Thank you!
